Klimatyczna Apartments

Comfortable investment properties at the seaside in the green part of Gdańsk, at the heart of the Sobieszewska Island

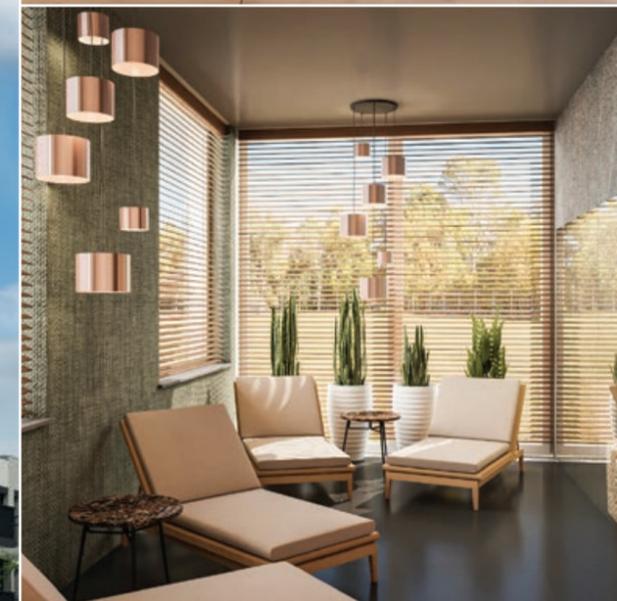

Summer vibes all year long

Klimatyczna Apartments are located at 88 Klimatyczna street, at the Sobieszewska Island in Gdańsk. It is a great refuge for anyone who wants to flee the urban noise and to admire seaside landscapes. At the heart of the island, there is a natural reserve, Mewia Łacha, where one may marvel at numerous extraordinary species of birds as well as enjoy some very picturesque walking trails.

Spacious beaches at Sobieszewska Island are less crowded than the ones in the city, and really perfect for resting and bathing in the clear waters of the Baltic Sea. For any active rest enthusiasts, the island provides a number of water sport activities and many picturesque bicycle paths.

To own or for rent

Klimatyczna Apartments provide two apartment purchase options, tailored to customers' needs. The "buy and earn" option lets owners to rent their apartments and gain profits on the investment, while enabling them to use the apartment in selected periods. The "buy and move in" option allows owners to live permanently in a captivating and lovely place, enjoying all the benefits of living at the seaside. You can choose to gain financial profits or to live in one of the most beautiful places at the Polish coast!
